KIDS' THANKSGIVING ACTIVITY BOOK

## KIDS' PRINTABLE ACTIVITY SHEETS

Print out the following pages for some family-friendly Thanksgiving fun! The wORD SEARCH PUzzLe, PUMPKIN PIE MAZE and COOTIE CATCHER will keep kids entertained while grown-ups put the finishing touches on dinner. At the table, give everyone a COLOR-IN PLACEMAT and a different BINGO CARD, plus some markers so they can cross off bingo squares during or after dinner. The first person to mark five in a row gets out of dish-washing duty! For dessert, let out your inner artist by passing around the PIE CHART, encouraging everyone to fill in a slice with a picture of themselves or something that they're thankful for. When everyone is done, see how all the wedges come together to create a whole pie. Happy Thanksgiving!

Print the Cootie Catcher template on the next page and follow these directions.

## HOW TO MAKE YOUR COOTIE CATCHER

Cut out the square along the dashed line.

Fold the square in half.

Fold up all four corners so the points meet in the middle.

Now fold the sqaure in half.

Fold it in half again.

It should now look like this.

Flip it over. Fold up all four corners so the points meet in the middle again.

Place your fingers under the four picture flaps.

Work the creases to form the four points.

## HOW TO PLAY

1. Choose one of the four pictures: Pie, Pumpkin, Leaf or Apple.
2. Spell out the chosen picture (i.e. P-I-E), opening the Catcher in a different direction with each letter.
3. When you're done spelling, look inside and choose one of the numbers shown.
4. Count to the chosen number, opening the Catcher in opposing directions as you count.
5. When you're done counting, look inside and choose one of the numbers shown.
6. Unfold the chosen number flap and answer the question inside.

## THE PIE CHART

Have each person fill in a slice with something that represents themselves and see how everyone's slice forms a whole pie.
